Merchant Processing Agreement

This Merchant Processing Agreement ("Agreement") is entered into on the Effective Date defined in Section 13.A, below, between the business indicated on the Merchant Application ("Merchant" or "you"), Cynergy Data ("CD", BA Merchant Services, LLC, ("BAMS") (CD and BA Merchant Services, LLC. are collectively referred to as Processor), and Bank of America, N.A. ("Bank").

Recitals
Merchant desires to accept Debit Cards and/or Other Cards, as indicated on the Merchant Application, validly issued by members of Visa U.S.A., Inc. ("Visa") and MasterCard International, Incorporated ("MasterCard"). "Debit Card" means all Visa or MasterCard cards issued by a non-U.S. bank, a Visa or MasterCard card that accesses a consumer's asset account within 14 days after purchase, including but not limited to Visa or MasterCard issued stored value, prepaid, payroll, EBT, gift, and consumer credit cards; and debit cards validly issued by the debit card networks indicated in Section 4.G below ("Debit Networks"); such as PIN-based Debit Cards issued by a non-U.S. bank and/or a Visa or MasterCard card, other than Debit Cards, including but not limited to business and consumer credit cards and business debit cards. The category of card acceptance you have indicated on the Merchant Application will collectively be referred to as "Cards." Bank and Processor desire to provide Card processing services to Merchant. Therefore, Merchant, Processor and Bank agree as follows:

Terms and Conditions

1. Cardholder Identification. You will honor, without discrimination, any Debit Card and/or Other Card, as indicated by you on the Merchant Application, properly tendered by a Cardholder. "Cardholder" means a person presenting a Card and purporting to be the person in whose name the Card is issued. If you elect to accept only one of the card acceptance categories but later submit a transaction from a card in a different category, you agree that Processor and Bank may process the transaction and assess the appropriate fee, and that all terms of this Agreement will apply to that transaction. You will not establish a minimum or maximum transaction amount for honoring a Card. Cardholders will be entitled to the same services and return privileges you extend to cash customers, and you will not impose any special conditions (unless permitted by the Card Associations) in connection with the acceptance of a Card. "Card Association" means Visa, MasterCard, Discover, American Express, Japanese Credit Bureau, and/or a Debit Network, as applicable.
B. Cardholder Identification. You will identify the Cardholder and check the expiration date and signature on each Card. You will not honor any Card if: (i) the Card has expired; (ii) the signature on the sales draft does not correspond with the signature on the Card; (iii) the account number on the Sales Draft (as defined in Section 4) or the account number on the Card (as printed in electronic form) or the account number is listed on a current Electronic Warning Bulletin file. You may not require a Cardholder to provide personal information, such as a home or business telephone number, a home or business address; or a drivers license number as a condition for honoring a Card unless permitted under the Laws and Rules (defined in Section 14, below). You may not require a Cardholder to complete a postcard or similar device that includes the Cardholder's account number, Card expiration date, signature, or any other Card account data in plain view when mailed.
C. Card Recovery. You shall use your reasonable, best efforts to recover any Card: (i) on Visa Cards if the printed four digits above the embossed account number do not match the first four digits of the embossed account number; (ii) if you are advised by Processor or Bank (or a designee) the issuer of the Card or the designated voice authorization center to retain it; (iii) if you have reasonable grounds to believe the Card is counterfeit, fraudulent or stolen, or not authorized by the Cardholder; or (iv) for MasterCard Cards, the embossed account number, indent printed account number and/or encoded account number do not agree or the Card does not have a MasterCard hologram on the lower right corner of the Card face.
D. No Cash Back. You shall not offer a cash back option, or any other condition of paying with a Card, except as permitted by the Rules. This paragraph does not prohibit you from offering a discount from the standard price to induce a person to pay by cash, check or similar means rather than by using a Card.
E. Return Policy. You will properly disclose to the Cardholder at the time of the Card transaction and in accordance with the Rules, any limitation you have on accepting returned merchandise.
F. No Claim Against Cardholder. You will not have any claim against or right to receive payment from a Cardholder unless Processor and Bank refuses to accept the Sales Draft (as defined in Section 4) or revokes a prior acceptance of the Sales Draft after receipt of a chargeback or otherwise. You will not accept any payments from a Cardholder relating to previous charges for merchandise or services included in a Sales Draft, and if you receive any such payments you promptly will remit them to Processor and Bank.
G. Disputes With Cardholder. All disputes between you and any Cardholder relating to any Card transaction will be settled between you and the Cardholder. Neither Processor or Bank bear any responsibility for such transactions.

2. Authorization.

A. Required on all Transactions. You will obtain a prior authorization for the total amount of a transaction via electronic terminal or device before completing any transaction, and you will not process any transaction that has not been authorized. You will follow any instructions received during the authorization process. Upon receipt of authorization you may consummate only the transaction authorized and must note on the Sales Draft the authorization number. Where authorization is obtained, you will be deemed to warrant the authenticity of the customer as the Cardholder.
B. Effect. Authorizations are not a guarantee of acceptance or payment of the Sales Draft. Authorizations do not waive any provisions of this Agreement or otherwise validate a fraudulent transaction or a transaction involving the use of an expired Card.
C. Unreadable Magnetic Stripes. When you present Card transactions for authorization electronically, and if your terminal is unable to read the magnetic stripe on the card, you will obtain an imprint of the card and the Cardholder's signature on the Sales Draft before presenting the Sales Draft to Processor and Bank for processing. Failure to do so may result in the assessment of a transaction surcharge on non-qualifying transactions.

3. Presentation of Sales Drafts.

A. Forms. You will use a Sales Draft ("Sales Draft") or other form approved by Processor and Bank to document each Card transaction. Each Sales Draft will be legibly imprinted with: (i) merchant's name, location and account number; (ii) the information Processor and Bank requires to accept the Sales Draft (as defined in Section 4) electronically, and truncated, if applicable; (iii) the date of the transaction; (iv) a brief description of the goods or services involved; (v) the transaction authorization number; (vi) the total amount of the sale including any applicable taxes, or credit transaction; and (vii) adjacent to the signature line, a notation that all sales are final, if applicable.
B. Signatures. Sales Drafts must be signed by the Cardholder unless the Card transaction is a valid mail/telephone order Card transaction, or PIN-based Debit Card transaction, which fully complies with the requirements set forth in this Agreement. You may not require the Cardholder to sign the Sales Draft before you enter the final transaction amount in the Sales Draft.
C. Reproduction of Information. If the following information embossed on the Card and the Merchant's name is not legibly imprinted on the Sales Draft, you will legibly reproduce on the Sales Draft before submitting it to Processor and Bank: (i) the Cardholder's name; (ii) account number (truncated, if applicable); (iii) expiration date and (iv) the Merchant's name and place of business. Additionally, for MasterCard transactions you will legibly reproduce the name of the Bank issuing the Card as it appears on the face of the Card.
D. Delivery of Sales Drafts. You will deliver a complete copy of the Sales Draft or credit voucher to the Cardholder at the time of the transaction. You will retain the "merchant copy" of the Sales Draft or credit memorandum for at least 3 years following the date of completion of the Card transaction (or such longer period as the Rules require).
E. Electronic Transmission. In using electronic authorization and/or data capture services, you will enter the data related to a sales or credit transaction into a computer terminal or magnetic stripe reading terminal no later than the close of business on the date the transaction is completed (unless otherwise permitted by the Rules). Failure to do so may result in the assessment of a transaction surcharge on non-qualifying transactions.
F. Information Security. You shall use your reasonable, best efforts to protect the confidentiality of the information transmitted with a computer or magnetic stripe reading terminal will be transmitted by you to Processor and Bank or their agent in the form Processor and Bank from time to time specifies or as required under the Rules. If Processor or Bank requests a copy of a Sales Draft, credit voucher or other transaction evidence, you will provide it within 24 hours following the request.

4. Deposit of Sales Drafts and Funds Due Merchant.

A. Deposit of Funds.
i. Deposits. You agree that this Agreement is a contract of financial accommodation within the meaning of the Bankruptcy Code, 11 U.S.C § 365 as amended from time to time. Subject to this Section, Bank will deposit to the Designated Account (defined in Section 6 below) funds evidenced by Sales Drafts (whether evidenced in writing or by electronic means) complying with the terms of this Agreement and the Rules and will provide you provisional credit for such funds (less recoupment of any credit(s), such as a chargeback or other recovery, or other dollar amount, as determined by Processor and Bank) for the period of time indicated in the notice until the expiration of any chargeback period for: a) mail order, telephone order, or Internet transactions on Cards issued by non-U.S. financial institutions, and b) if Processor or Bank determine, in their sole and reasonable discretion, that a transaction or batch of transactions poses a risk of loss. Neither Processor nor Bank are responsible for any losses you may incur, including but not limited to NSF fees, due to such delayed deposit of funds. You acknowledge that your obligation to Processor and Bank for all amounts owed under this Agreement arises out of the same transaction as Processor and Bank's obligation to deposit funds to the Designated Account.
ii. Provisional Credit. Notwithstanding the previous sentences, under no circumstance will Processor or Bank be responsible for processing credits or adjustments related to Sales Drafts not originally processed by Processor and Bank. All Sales Drafts and deposits are subject to audit and final checking by Processor and Bank and may be adjusted for inaccuracies. You acknowledge that all credits provided to you are provisional and subject to chargebacks and adjustments: (i) in accordance with the Rules; (ii) for any of your obligations to Processor and Bank; and (iii) in any other situation constituting suspected fraud or a breach of this Agreement. If a transaction is charged back by the Card issuer, Processor and Bank may elect to grant conditional credit for individual or groups of any funds evidenced by Sales Drafts. Final credit for those conditional funds will be granted within Processor and Bank's sole discretion.
iii. Processing Limits. Processor and Bank may impose a cap on the volume and ticket amount of Sales Drafts that they will process for you, as indicated to you by Processor and Bank. This limit may be changed by Processor and Bank upon written notice to you.
B. Chargebacks. You are fully liable for all transactions returned for whatever reason, otherwise known as "chargebacks." You will pay on demand the value of all chargebacks. Authorization is granted to offset from incoming transactions and to debit the Designated Account, the Reserve Account (defined in Section 7, below) or any other account held at Bank or at any other financial institution the amount of all chargebacks. You will fully cooperate in complying with the Rules regarding chargebacks.
C. Excessive Activity. Your presentation to Processor and Bank of Excessive Activity will be a breach of this Agreement and cause for immediate termination of this Agreement. "Excessive Activity" means, during any monthly period: (i) the dollar amount of sales activity that exceeds the dollar amount of sales activity reported in the Application; or (ii) the dollar amount of returns equals 20% of the average monthly dollar amount of your Card transactions. You authorize, upon the occurrence of Excessive Activity, Processor and Bank to take any action they deem necessary including but not limited to, suspension or termination of processing privileges or creation or maintenance of a Reserve Account in accordance with this Agreement.
D. Credit
i. Credit Memorandum. You will issue a credit memorandum in any approved form, instead of making a cash advance, a disbursement or a refund on any Card transaction. Bank will debit the Designated Account for the total face amount of each credit memorandum submitted to Bank. You will not submit a credit relating to any Sales Draft not originally submitted by you, nor will you submit a credit that exceeds the amount of the original Sales Draft. You will within the time period specified by the Rules, provide a credit memorandum or credit statement for every return of goods or forgiveness of debt for services which were the subject of a Card transaction.
ii. Refund. Processor or Bank may refuse to accept any Sales Draft, and Processor and Bank may revoke prior acceptance of a Sales Draft in the following circumstances: (a) the transaction giving rise to the Sales Draft was not made in compliance with this Agreement, the Laws or the Rules; (b) the Cardholder disputes his liability to Processor and Bank for any reason, including but not limited to a contention that the Cardholder did not receive the goods or services, that the goods or services provided were not as ordered or pursuant to those chargeback rights enumerated in the Rules; or (c) the transaction giving rise to the Sales Draft was not directly between you and the Cardholder. You will pay Processor and Bank any amount previously credited to you for a Sales Draft not accepted by Processor and Bank or where accepted, is revoked by Processor and Bank.
E. Reprocessing. Notwithstanding any authorization or request from a Cardholder, you will not re-enter or reprocess any transaction which has been charged back.
F. Miscellaneous. You will not present for processing or credit, directly or indirectly, any transaction not originated as a result of a Card transaction directly between you and a Cardholder or any transaction you know or should know to be fraudulent or not authorized by the Cardholder. You will not disclose to third parties Card account information other than in the course of performing your obligations under this Agreement.
G. Debit Card Processing
i. "Debit Networks" means those debit card networks accepted by Processor, including but not limited to the following organizations and their successors: Star, NYCE, Pulse, Interlink, AFFN, Alaska, Jeanie, Accel, and Money Station.
ii. Credit Refunds. You will attempt to settle in good faith any dispute between you and a Cardholder involving a transaction.

You will establish a file, consistent with the exchange and return of merchandise and for the adjustment of amounts due on Debit Card sales. You will promptly initiate a refund to the customer (which may be made in cash, by an adjustment draft or with a check or cashier's check, as permitted by the Rules) whenever you determine that a Debit Card transaction should be canceled or reversed.

iii. Adjustments. Except as the Debit Networks may permit, you will not make any cash refunds or payments for returns or adjustments on Debit Card transactions, but will complete an adjustment form provided or approved by Processor. The Debit Card Sales Draft for which no refund or return will be accepted by you must be clearly and conspicuously marked (including on the Cardholder's copy) as "final sale" or "no return" and must comply with the Rules.
vi. Error Resolution. You will refer Debit Card Cardholders with questions or problems to the institution that issued the Debit Card. You will cooperate with Processor and with each applicable Debit Network and its other members to resolve any alleged errors relating to transactions. You will permit and will pay all expenses of periodic examination and audit of functions related to the Debit Network, at such frequency as the applicable Debit Network deems appropriate. Audits will meet Debit Network standards, and the results will be made available to the Debit Network.

5. Other Types of Transactions.

A. Mail/Telephone Order. Processor and Bank caution against mail orders or telephone orders or any transaction in which the Cardholder and Card are not present ("mail/telephone orders") due to the high incidence of customer disputes. You will perform all ACH and other transactions on the Card for a mail/telephone order, and you will submit the expiration date when obtaining authorization of the Card transaction. For mail/telephone order transactions, you will type or print legibly on the signature line the following as applicable: telephone order or "TO" or mail order or "MO" You must promptly notify Processor and Bank if your retail/mail order/telephone order mix changes from the percentages represented to Processor and Bank in the Merchant Application. Processor and Bank may cease accepting mail/telephone order transactions, or limit its acceptance of such transactions, or increase their fees, or terminate this Agreement, or impose a Reserve Account (defined in Section 7.A), if this mix changes. You must deposit any cash advance or cash payment received before the product is shipped.
B. Recurring Transactions. For recurring transactions, you must obtain a written request from the Cardholder for the goods and services to be charged to the Cardholders account, the frequency of the recurring charge, and the duration of time during which such charges may be made. You will not complete any recurring transaction after receiving: (i) a cancellation notice from the Cardholder (ii) notice from Processor or Bank, or (iii) a response that the Card is not to be honored. You must print legibly on the Sales Draft the words "Recurring Transaction".
C. Partial Completion. A Sales Draft may be used to describe and total amount of goods and services purchased in a single transaction on a single Sales Draft or transaction record, unless (i) partial payment is entered on the Sales Draft or transaction record and the balance of the transaction amount is paid in cash or by check at the time of transaction, or (ii) a Sales Draft represents an advance deposit in a Card transaction completed in accordance with this Agreement and the Rules.

D. Partial Completion.
i. Prior Consent. You will not accept for payment by Card any amount representing a deposit or partial payment for goods or services to be delivered in the future without the prior written consent of Processor or Bank. Such consent will be subject to Bank's final approval. The acceptance of a Card for payment or partial payment of goods or services to be delivered in the future without prior consent will be deemed a breach of this Agreement and cause for immediate termination, in addition to any other remedies available under the Laws or Rules.
ii. Acceptance. If you have obtained prior written consent, then you will complete such Card transactions in accordance with the terms set forth in this Agreement, the Rules, and the Laws. Cardholders must execute one Sales Draft when making a deposit with a Card and another Sales Draft when paying the balance. You will note upon the goods have been delivered to Cardholder "balance" as appropriate. You will not deposit the Sales Draft labeled "balance" until the goods have been delivered to Cardholder or you have fully performed the services.
E. Future Delivery. You will not present any Sales Draft or other memorandum to Bank for processing (whether by electronic means or otherwise) which relates to the sale of goods or services for future delivery without Processor or Bank's prior written authorization. Such consent will be subject to Bank's final approval. If Processor or Bank have given such consent, you represent and warrant that you will maintain sufficient working capital to provide for the delivery of goods or services at the agreed upon future date, independent of any credit or proceeds resulting from sales drafts or other memoranda taken in connection with future delivery transactions.

F. Electronic Commerce. You may process electronic commerce ("EC") transactions only if you have so indicated on the Application, and only if you have obtained CD's consent. If you submit EC transactions without such consent, Processor may immediately terminate this Agreement and you shall remain liable for the amount of such transactions. You shall submit to Processor an acknowledgment that you have received a copy of the Visa Cardholder Information Security Program ("CISP") manual. If you present EC transactions, such transactions must comply with the CISP requirements and all other applicable Rules and Law. You understand that transactions processed via EC are high risk and subject to a higher incidence of chargebacks. You are liable for all chargebacks and losses related to EC transactions, whether or not: i) EC transactions have been encrypted; and ii) you have obtained consent to engage in such transactions. Encryption is not a guarantee of payment and will not waive any provision of the Agreement or constitute a defense to a fraudulent transaction. You shall maintain a secure transaction method, such as Secure Sockets Layer (SSL) or 3-D Secure. All communication costs related to EC transactions are your responsibility. You understand that Processor will not manage the EC telecommunications link and that it is your responsibility to manage that link. All EC transactions will be settled by Bank into a depository institution of the United States in U.S. currency.
i. Requirements. For goods to be shipped on EC transactions, you may obtain authorization up to 7 calendar days prior to the shipment date. You need not to obtain a second authorization if the Sales Draft amount is within 15% of the authorized amount, provided that the authorization is not for a return or refund. You shall submit the following information: a) complete description of the goods or services offered; b) returned merchandise and refund policy; c) customer service contact, including electronic mail address and/or telephone number; d) transaction currency (such as U.S. or Canadian dollars), e) export or legal restrictions, if known; f) delivery policy, consumer data privacy policy; g) your security method for transmission of payment data, and h) the Visa flag symbol in full color. If you store cardholder account numbers, expiration dates, and other personal cardholder data in a database, you must follow Visa and MasterCard guidelines on securing such data. You shall immediately notify Processor and Bank if you are unable to confirm the identity of your customer. You shall provide a secure transaction method, such as reasonable access to Visa, MasterCard, Debit Network or independent third party to verify your ability to prevent future security breaches in a manner consistent with the requirements of any Rule.
ii. Cardholder Information Security. You agree that you are, and will remain, fully compliant with the Payment Card Industry Data Security Standard required by the Card Associations, including but not limited to undertaking the required annual or quarterly self-assessments and Web infrastructure scans, as appropriate. If you accept EC transactions, you must: install and maintain a secure transaction method, such as SSL, on all transactions; restrict access to your database containing the following information: a) data sent over open networks; use and update antivirus software; restrict access to data by business "need-to-know"; assign a unique ID to each person with computer access to data; use vendor-supplied defaults for system passwords and other security parameters; track access to data by unique ID; regularly test security systems and processes; maintain a policy that addresses information security for employees and contractors; and restrict physical access to cardholder information. When outsourcing administration of information assets, networks, or data you must retain legal control of proprietary information and use limited "need-to-know" personnel to access information. You shall comply with the Visa CISP Rules in contracts with other service providers. You agree to indemnify and reimburse Processor and Bank immediately for any loss, liability, assessment or fine incurred due to your breach of this Section.

G. American Express, Discover, JCB and Diners Club Transaction. Upon your request, Processor and Bank will provide authorization and/or data capture service, for Discover, JCB, Diners Club and American Express transactions. By signing this Merchant Agreement, Merchant agrees to abide by the terms and conditions of Diners Club, American Express and Discover. Merchant agrees to provide the following information: a) complete description of the goods or services offered; b) returned merchandise and refund policy; c) customer service contact, including electronic mail address and/or telephone number; d) transaction currency (such as U.S. or Canadian dollars), e) export or legal restrictions, if known; f) delivery policy, consumer data privacy policy; g) your security method for transmission of payment data, and h) the Visa flag symbol in full color. If you store cardholder account numbers, expiration dates, and other personal cardholder data in a database, you must follow Visa and MasterCard guidelines on securing such data. You shall immediately notify Processor and Bank if you are unable to confirm the identity of your customer. You shall provide a secure transaction method, such as reasonable access to Visa, MasterCard, Debit Network or independent third party to verify your ability to prevent future security breaches in a manner consistent with the requirements of any Rule.
ii. Cardholder Information Security. You agree that you are, and will remain, fully compliant with the Payment Card Industry Data Security Standard required by the Card Associations, including but not limited to undertaking the required annual or quarterly self-assessments and Web infrastructure scans, as appropriate. If you accept EC transactions, you must: install and maintain a secure transaction method, such as SSL, on all transactions; restrict access to your database containing the following information: a) data sent over open networks; use and update antivirus software; restrict access to data by business "need-to-know"; assign a unique ID to each person with computer access to data; use vendor-supplied defaults for system passwords and other security parameters; track access to data by unique ID; regularly test security systems and processes; maintain a policy that addresses information security for employees and contractors; and restrict physical access to cardholder information.
